

AWHONN (Association of Women's Health, Obstetric and Neonatal Nurses)

New Hampshire Section

Student Intern

The New Hampshire Section of AWHONN is looking for a student intern to help support our chapter. This is an excellent opportunity for nursing students to gain valuable leadership skills and engage with local leaders in maternal child health working collaboratively to support maternal child nurses in New Hampshire.

Eligibility Requirements:

- Any student currently enrolled in a New Hampshire school of nursing program
- Entering their final year of school

Term/Commitment:

- 1 year (May-May)

Duties of the Student Intern Include:

- Attend all leadership team meetings (held on the 2nd Friday of every other month from 9:00-1:00pm, in person and virtual)
- Manage NH AWHONN Social Media Accounts
- Manage and help to develop NH AWHONN Website
- Assist with correspondence to NH AWHONN members through mass emails
- Encourage and increase student engagement and membership with AWHONN
- Assist with planning of NH AWHONN events

Student interns will be awarded with an AWHONN student membership and upon successful completion of their term students will receive reimbursement to cover the cost of their NCLEX registration fee.

If you have questions about the internship, please email Ashley Mitchell (Secretary/Treasurer) at ashmitchell84@gmail.com.
